CORONAVIRUS

Very few, of our members will have any experience of a worldwide pandemic such as we have now with coronavirus. It affects ALL of us, all our members and all ISGF members throughout the world.

These are strange times, necessitating a way of life that is alien to us, with new and stringent rules which are not easy to follow. Will life ever go back to the way it was, perhaps, but for some of us life as we know it, will change for ever. Hopefully our ability to 'smile and sing under all difficulties' will sustain us and help us get through this time.
