25th October is the Fellowship Day CIRCULAR

Dear members,

This year, we would like to suggest you to celebrate the 25th October in a different way.

This Fellowship Day will be the first of many others,
it will be the first of many Fellowship Days & Fundraisings.

A fundraising day for the National Organizations and the Central Branch groups or members is an opportunity to meet the members of their Guilds as well as local people that will join in the different activities.

We are convinced that your imagination will be fertile and the choice of the activity you are going to organize will be a success. Nevertheless we would like to give some suggestions that can help some of you:

- Sports Day
- Picnic for families
- Games for Youngsters
- Dancing evening or Dancing Dinner
- Giant QUIZZ
- Cake or Flower arrangement competition with sale
- Pedy paper
- Theatre play or a Choir
- A Tombola or a Garage sale
- Sale of old books
- Presentation of an important theme by an expert.

You only need to gather some of your friends, propose an idea and put it into practice with the help of some other volunteers. Surely, they all will love it and the funds will appear.

Funds for WHAT? For WHOM?

Sometimes, some NSGFs find it difficult to receive the contributions from their members and to pay their annual fee; sometimes some NSGFs or Central Branch groups cannot pay their fee for reasons beyond their control; the collected funds can also be assigned to national or local projects. Do not forget, funds are highly needed for the World Project 2015: HAITI 2015.

Apart from organizing the events, raising money and enjoying ourselves, there is also the possibility that, later, the people who were volunteers, who helped and participated, join the ISGF because they liked the spirit of the day.

We are sure that you will start to organise your Fellowship Day very soon and by the end of the weekend of 24th -25th October 2015, you will be very happy with having taken up this challenge and with the outcomes. Your action will enable to support your country in the payment of its annual fees,

or to support another country that has great difficulty in paying them or to offer a grant to an ISGF project at any level.

The Fellowship Day message will be released in the forthcoming weeks.
Please send us some news and some photos of your festivities to be shared with all the members through the ISGF website.

Happy plans and preparations!

Yours in Fellowship.
